Top End Road Race Association

Top End Road Racing Association (TERRA) is pleased to report on the success of Rounds 5 and Round 6 held on 3rd and 17th of September, respectively. Both rounds concluded without any major incidents or injuries.

Round 5: 3rd September

The racing was a huge success with no reported injuries or issues.

The event witnessed good numbers, we are happy to report that three juniors joined the racing action, indicating a bright future for the sport.

Round 6: 17th September

Like the previous round, this event concluded without any major injuries or issues.

Although numbers were down in some classes, we had good numbers in the Super Sport (600cc) field and "ride-day" participants.

Club Announcements and Acknowledgments

We are excited to announce that the club has ordered new "Air-Fence Skins" that will further enhance the safety measures at our events.

TERRA would like to express our thanks to the staff of MA (Motorcycling Australia), MANT (Motorcycling Australia Northern Territory) and Motor Sports NT for their invaluable assistance. A special mention goes to Tony Sievers, who helped with the submission to secure the grant to fund this crucial equipment. Without the air-fence and the support of these organizations and individuals, motorcycle road-racing could not happen in the Northern Territory.

Upcoming Events

The club is eagerly preparing for the final two rounds of the season:

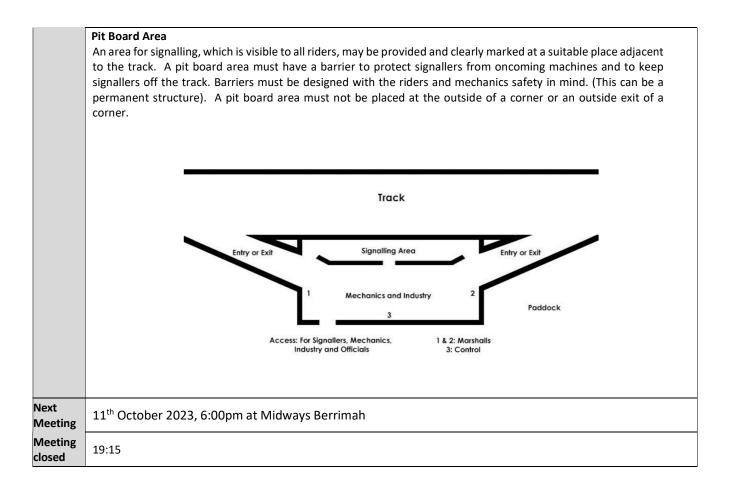

- Round 7: Scheduled for 29th October
- Round 8: Scheduled for 5th November

We remain committed to offering a safe and competitive platform for motorcycle road-racing in the Northern Territory and would like to thank all our members, volunteers, and sponsors for their continued support.
