#### **Recent Event**

NT Titles – event ran smoothly 4 injuries 77 competitors over 2 days of racing

*Issues* – flaggies - I tried to arrange flaggies for both days using ridernet, it really helped although we were short on flaggies on day 2.

**12 Hr Enduro** – event ran smoothly3 injuries92 competitors

I haven't been able to run any midweek Practice events lately due to being too busy.

#### **Track Report**

Part Grant approved for new starting gates – working with local company Chambers Engineering to achieve what we can with the budget we have, the order has been placed ©

#### **Future Events**

Enduro event late August at Maryvale Station has to be postponed for 2023 Enduro series

I have been in touch with Kulgera gymkana committee and we are discussing the option to host an enduro later this year.

We also hope to put together an Enduro sub-committee for 2023 to prepare and organise the events more effectively.

#### **General Report**

I would like to discuss what is generally the norm regarding entry late fees and cut off times as I am unsure.

From what I have gather Ie racing on Sunday 14th Entry closing the Sunday 7th at midnight \$50 late fee up until sign on.

#### **Recent Events**

Held the 1st Round of Dry Season on the 26<sup>th</sup> June with 40 participants with nil injuries. Held the 2nd Round of Dry Season on the 17<sup>th</sup> July with 39 participants with nil injuries. We have also just completed Rd 3 Dry Season Series with 40 competitors, due to being long weekend numbers were down a little. Meeting ran well, with no injuries

#### **Upcoming Events**

TQA has been running quite smoothly this year with the next round on August 14<sup>th</sup>

#### **General Report**

TQA have been having trouble securing St Johns Volunteers, we have encountered 3 cancellations, but we were lucky to be able to secure paramedics for 2 of them. The negative point of this is that as a not-for-profit organisation we make no profit for those days. St Johns have advised that last year they had 40 first aid responders and this year they are down to 14.

TQA has only 2 club competitions left for this year and the NT Titles in September.

#### Aussie Titles 2023

TQA has been awarded the 2023 Australian Quad Titles to be held in September, this will see approximately 100 quads race in the Territory. The last time these titles were held in the Territory was in 2015 at Alice Springs.

10 practices – with 288 riders – 83 seniors and 105 juniors 1 Race – King of the Sands R3

**King of Sands Round 3** final round 40 riders with many riders competing in more than one class with the popular 2 stroke class. Feedback from Riders is they want more rounds on the Natural Terrain track.

**Mini Bike Rounds** Postponed We have been required to reschedule our first 2 mini bikes due to no ambulance.

**TEMCC Committee** – Topic requested to be raised - We have been advised TEMCC is unable to run on the same weekend as quad racing. We would like this policy to be reviewed given the restricting ability to reschedule events. We are not proposing to clash on the day, merely use the same weekend with evidence that no other options are possible due to major events held in Darwin (therefore causing inability for ambulance to attend).

CEO did update the board that currently SJA has requested that we do not reschedule any events on weekends with any other motorsports events due to current unavailability to fulfill current scheduled events.

**NT Titles 2022 Club Representation** - A good representation of TEMCC club members nominated for the NT titles with high support of Darwin Riders in each class. Congratulations to Zoran and the Alice Springs Motorcycle Club Committee for running a great Titles meet.

Quick overview as I have been interstate in recent times, I have attended the ALT workshops. Next ALT meeting is?

My goal is to attend some MA affiliated events to start reassuring clubs and change the perception of MA/MANT – especially that we are just here to enforce rules and pocket money.

In addition, I will be arranging meetings with Sport & Recreational ministers in the near future.

AI0308/03: Cilla to investigate remainder of meetings this year for the ALT and Council.

#### Database update

The existing Ridernet system will be unavailable from 10pm August 15<sup>th</sup> to 10pm August 18<sup>th</sup> as the migration is completed.

During the initial transition phase, you may see some event pages still using the soon-to-beoutdated Ridernet 1.0.

All events will be transitioned by September 20th, 2022. After that date, you will see all events running in Ridernet 2.0.

There is expected to be some bugs and issues which happens with all systems, please let me know of any you experience in clubland.

Ridernet training will commence in August for all current Club Ridernet Administrators by the SCB.

#### Medical Standards – in development

A working group to be formed, MNT (Chairperson), MVIC, MNSW & MWA all volunteered to take part. MA to also provide a representative.

To be able to implement this and imbed it within the rules for 2023 it is recommended the group meet monthly or as needed and be able to provide first draft for consideration at next AMT meeting, August 16, 2022, this would allow feedback and a second-round discussion at the October meeting to confirm.

MANT Constitution – still in talks with Jim and awaiting a draft constitution to review.
